

Curriculum Vitae

Personal details

• Name	Ayman Khaled Yahya Al-mehanni
✉ Email	AYMANALMEHANNI@GMAIL.COM
📞 Phone	0509312930
📅 Date of Birth	Aug 28 1999
📍 Nationality	Yemeni
📍 Address	Saudi Arabia

Work experience

Flutter Developer & Project Owner

Present
DEC /2024

[Sales Memo App \(ملكرة مبيعات\) - Personal Project](#)

- Developed a comprehensive sales and order management mobile application from concept to deployment using the Flutter framework and Dart.
- Engineered a local persistence layer using SQLite for offline-first data management of orders, customers, and complex product structures.
- Implemented state management using the Provider package to ensure a reactive, consistent, and maintainable user interface.
- Designed and built a robust backup and restore feature, packaging the SQLite database and associated images into a single ZIP archive for data portability and user peace of mind.
- Architected a modular system with distinct models and UI for various product types, including standard products, online orders, and custom bedroom sets with a built-in drawing/sketching feature.

Lead Flutter Developer & Project Owner

Present
JAN /2025

[DafterDawn \(Debt Ledger App\) - Personal Project](#)

- Architected and developed a sophisticated, offline-first mobile application for managing personal and business debts across multiple currencies, utilizing Flutter, Dart, and GoRouter for navigation.
- Engineered a robust data layer with SQLite, designing a normalized schema for persons, transactions, currencies, and sections, and managing database migrations for seamless updates.
- Integrated Google Drive API for secure cloud backup and restore functionality, leveraging the private appDataFolder to ensure user data privacy and portability.
- Implemented an advanced PDF reporting feature using the pdf package, generating detailed account statements and balance summaries with custom date ranges, multi-currency support, and full Arabic font compatibility.

Financial Services Officer / Teller

JUN /2025
SEP /2019

[Al-Najm & Al-Amri for Exchange, Sana'a, Yemen](#)

- Executed a high volume of foreign currency exchange transactions (buy/sell) for clients, ensuring accuracy and adherence to market rates.
- Processed domestic and international remittances and financial transfers efficiently through various banking networks.
- Conducted daily account settlements and reconciled cash balances to ensure financial integrity and identify any discrepancies.
- Managed end-of-day closing procedures, including balancing accounts and preparing summary reports.
- Ensured all transactions complied with the organization's financial policies and regulatory requirements.

Mobile Phone Technician & Business Owner

FEB /2018
OCT /2010

[Self-Owned Business, Sana'a, Yemen](#)

- Managed all operational aspects of a self-owned mobile repair and accessories business, including inventory sourcing, supplier relations, pricing, and sales.
- Performed advanced software troubleshooting, including OS flashing (Software), device unlocking, and resolving complex software issues to restore device functionality.
- Diagnosed and repaired a wide range of hardware faults, such as screen and battery replacements, charging port repairs, and other component-level issues.
- Provided direct customer service and technical consultation, building a strong client base through reliable service and expert advice on repairs and accessories.

Education

AUG /2019 Exceed, English Learning centers
English language Advanced Course

APR /2018 Sana'a Community College, Programmer
Bachelor degree of Programmer

NOV /2017 Seeds Education Institute
English language Courses, Level 2

SEP /2016 Omar Al-Mukhtar School, Sana'a
High school

Language skills

Arabic	Spoken: Excellent	Written: Excellent
English	Spoken: Good	Written: Good
